APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to store 25.0 acre-feet of water per annum for irrigation on 480 acres of land is issued subject to all existing rights on the source and also subject to NRS 535.010. The proof of beneficial use and cultural map, when filed, must show the maximum amount of water stored and released during any one year, and the lands on which such water was used. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 25.0 acre-feet storage per acre-foot per second annum. Duty of water from all sources not to exceed 4.0 acre-feet per acre irrigated.

Actual construction work shall begin on or before N/A

Proof of commencement of work shall be filed before N/A

Work must be prosecuted with reasonable diligence and be completed on or before December 20, 1983

Proof of completion of work shall be filed before January 20, 1984

Application of water to beneficial use shall be made on or before December 20, 1984

Proof of the application of water to beneficial use shall be filed on or before January 20, 1985

Map in support of proof of beneficial use shall be filed on or before January 20, 1985

Commencement of work filed MAY 2 1988

Completion of work filed

Proof of beneficial use filed

Cultural map filed

Certificate No. Issued

Recorded FEB 23 1984

IN TESTIMONY WHEREOF, I PETER G. MORROS,
State Engineer of Nevada, have hereunto set my hand and the seal of
my office, this 20th day of DECEMBER
